

A FUN FILLED SUMMER OF THEATER

Fill your summer with fun at the Allegra Summer Fun Theater camp. No experience necessary! Our camp is ideal for beginners as well as actors who are interested in expanding their performance skills. Campers from ages 8 to 15 all enjoy our performing arts Day Camp, while learning new skills to advance their performance ability.

Allegra's Summer Fun Theater camp focuses on musical theater as it teaches campers fundamental and advanced techniques in acting, performance readiness, stage singing, backdrop design, production and stage crew. Each day campers participate in three workshops - acting, music and backdrop production. Kids learn best by doing and they do it all at Allegra's Summer Fun Theater Camp.

All of our camp instructors are professionally trained and experienced in theater and stage, creating a stimulating environment where campers can discover and develop their creative side.

Their complete camp experience culminates in a grand performance in front of parents and friends.

JUST FOR FUN

We sneak in a fun day of talent shows, water balloons and ice cream. Campers can even invite a friend!

Allegra is proud that our campers come back summer after summer to grow and stretch in new theater experiences. This is why we are able to achieve the high level of performance and fun that you've been hearing about.

Come and help us celebrate our ninth year of great performances!

EXPLORE NEW ROLES

On Broadway, Allegra's interactive theater workshop, trains campers in acting, voice, movement, make-up and costumes. Campers learn acting by way of entertaining games and exercises that strengthen memory, acting and performance skills. They delve into scene study, improvisation and physical comedy routines, excitedly rehearsing for the theatrical program they will perform at the end of the session. The poise and confidence they gain from this workshop will translate successfully to other endeavors!

FIND YOUR VOICE

Lift Every Voice: Campers experience the joy of singing in our music workshop, lead by a professional musician and voice coach. They learn the musical accompaniment to the selected theatrical production by focusing on vocal breathing techniques, posture, articulation and resonance.

And, in addition to the Broadway production, campers learn to sing a wide variety of unrelated repertoire - just for the fun of it!

GET CREATIVE

Stage Crew/ Set Design: Working with an experienced artist, Allegra campers create sets using a generalized art format, covering a wide range of media. This is where the artist within each of them really shines.

The final result...Beautiful sets and props designed and created by our Allegra campers.

LISTEN TO WHAT OTHERS ARE SAYING

My 15-year-old daughter absolutely loves the program. My daughter has been enrolled in the summer camp for the past three summers. I only wish we had heard about the camp earlier! My daughter has always enjoyed acting and performing and she participated in several other acting programs, both year-long programs and summer camps, for seven years. Allegra beats them all! It was amazing to see the progress my daughter made in a very short time at Allegra. In a relatively short amount of time, my daughter learned so much more at Allegra than at any other program she ever attended. The professionalism at Allegra is what differentiates it from the other programs in our area. The staff members are professionally trained actors, who know the acting profession extremely well. The staff, especially Donnetta Johnson, are excellent teachers of acting techniques. They are able to work intensively and seriously with the children to create outstanding performances within short amounts of time. The staff understands how to challenge the students in a positive way and how to help the students improve and grow as actors. The students learn to speak in front of an audience and to improvise, among other things. These are great skills to master, not just in acting, but in life in general. The overall educational benefit that my daughter gets from Allegra continues to be tremendous

Anne Mette Pedersen Ph. D (Teresa)

My son John (age 13) has been attending both summer camp and Ultimate Thespians acting troupe since he was 7. He loves Allegra and looks forward to every session. Besides the fact that good kids attend Allegra programs, John has developed poise and confidence by practicing and performing on stage with Allegra. Ms. Donnetta is very experienced in her craft and makes learning fun. The kids work hard (and play hard) and produce amazing plays in as little as two weeks.

We live about 45 minutes away from Allegra (Hillsborough is nearby where I work, and I had taken John there one summer when our nanny was sick) and even though it is quite a commitment to get him there, there is no hesitation from either of us - he loves it that much.

I hope you will consider Allegra for a program for your child.

Kate Ahluwalia (John)

ALLEGRA IS...

Your ticket to a summer of theater fun!

REGISTRATION

Session I Teen Camp is 3wks
